

The Bucks County Area Agency on Aging and
Council Rock Coalition for Healthy Youth presents

Addiction, Gambling and Its Impact

This free training is designed for front line professionals serving clients with addictive behaviors.

These professions include, but are not limited to, Registered Nurses from Family Practices, Adolescent and Geriatric Medicine, Public Health Nurses, School Nurses, Mental Health Specialists, Social Workers, Psychologists, Addiction/Treatment Counselors and Specialists, Teachers and Administrators.

Friday May 2, 2014

8:00am-3:30pm

Bucks County Community College, Gateway Auditorium

275 Swamp Road, Newtown, PA 18940

Registration Deadline April 25, 2014

Please register soon there is a minimum/maximum number of participants required for this program

Gambling Addiction

- Jason Harlen CEO, Wyoming Valley Alcohol and Drug Services, Inc.
- Melanie Draus, Prevention/Education Counselor, Wyoming Valley Alcohol and Drug Services, Inc.

Participants will identify prevalence and risk factors of problem gambling for the general public, how to identify gambling risk factors for older adults and addiction prevention/treatment considerations.

Addiction and the Brain Circuits of Reward

- Dr. David J. Linden, Department of Neuroscience, The John Hopkins University School of Medicine.

"What is addiction? Anatomically and biochemically defined pleasure circuits in our brains are activated by both "vices" and "virtues". Addiction is not a moral failing. Are we subject to subconscious forces or creatures of free will?"

****Continental breakfast and lunch are included for FREE****
