

JFCS and The Department of Behavioral Health,
Office of Addiction Services presents

Youth Gambling: Myths, Realities and New Understandings

Our Partner:

This full day workshop will address changing patterns of youth gambling (including social gaming and simulated social casino games), youth risk-taking and gambling behaviors, risk and protective factors, prevention strategies, and techniques for helping youth with gambling problems. Dr. Derevensky will discuss some of the latest research on adolescent risk-taking behaviors and social casino gambling.

Presenter: **Dr. Jeffrey L. Derevensky, Director,
International Centre for Youth Gambling Problems
and High-Risk Behaviors, McGill University**

When: Monday, June 1, 2015, 8:30 am – 4:00 pm

Where: 2100 Arch Street, 2nd Floor, Phila, PA 19103

Cost: There is no cost to attend the training, which includes light breakfast and lunch. Social Work CEUs are pending.

RSVP: **by Friday, May 15**
Melissa Blackson at 267-256-2053 or
MBlackson@jfcshilly.org

Objectives: Learn: signs, symptoms, and behaviors of adolescent problem gambling; prevention and intervention strategies; and latest research developments in youth gambling
